Open during landfill operating hours

Trash & Recycling Collection Companies*
*Known to be operating in Butler County

Trash removal can be contracted in some municipalities on an individual, subscription basis and some municipalities contract with one hauler for all their residents. Call your municipality or homeowner’s association for details. All residential trash haulers are required to also offer curbside recycling service to their residential customers in Butler County.

Single-Stream Recycling Offered by MOST Recycling Collectors

It’s so easy — most of the companies collecting residential curbside recycling collect in a “Single Stream” manner, meaning that most items can be mixed together in one recycling bin. Please check with your hauler to be sure of what is collected, however in general, most types of plastics, paper (including magazines, catalogs, junk mail and cardboard), food & beverage glass and food & beverage cans can all be placed in your recycling bin. Recyclables that contained food should be rinsed and any lids should be discarded. (Those haulers who don’t offer single-stream still offer comingled recycling pickup which includes #1 and #2 plastics, food & beverage glass and food & beverage cans.)

When is my collection day?
Check with your hauler to get your recycling pickup schedule.

- Other:
New in 2014 – Special Event Recycling Bins Available

Beginning in the spring of 2014, the Butler County Department of Recycling & Waste Management will have collapsible recycling bins available to loan. Groups organizing special events in Butler County that would like to offer recycling to their participants along with waste disposal can borrow the bins on a first come–first served basis. For more information on this program, please contact the Department at:

| **Tip for Reuse:** Call local UPS, Ebay and other shipping service businesses | **Tips for Latex Paint:** Latex paint is NOT considered hazardous once it is COMPLETELY dry. To get paint to dry:  
- leave lid off can—small qty  
- mix cat litter or saw dust and leave lid off until dry  
- buy packet of paint hardener avail. at most paint sellers  
Once COMPLETELY dry, latex paint can be disposed of with your regular household trash. | - Some haulers will accept phone books in curbside recycling bins as part of their curbside recycling service. Call your hauler for details.  
- Some farms in Butler County accept phone books with newspapers to shred for animal bedding. Call local farms or the USDA in Butler for details on farms that might accept them. |
| | **Tips for Latex and Oil-Based Paints:** Butler County accepts all types of paint and paint-related products like turpentine, etc. at its ongoing hazardous waste collections for a small fee. For more information on collection dates and details, call:  
724.284.5305  
www.recyclebutler.us | |

### Styrofoam

**Tips:**

UPS, Ebay and other shipping service businesses sometimes accept Styrofoam.

Some local greenhouses will accept small amounts of Styrofoam for use in potting mixes. Check with your local greenhouse.

Mail polystyrene to the Alliance of Foam Packaging Recyclers. Go to [www.epspackaging.org](http://www.epspackaging.org) to learn what is involved.

### Syringes

**Tips:**

Waste management offers a “recycle by mail” program—see [www.wm.com](http://www.wm.com) for more information.

If disposing in the trash, place inside a RIGID container such as a soda bottle or coffee can and place the lid on securely. Be absolutely sure that this container does NOT go in your curbside recycling bin.
Tip:
In North America, DuPont™ Tyvek® has partnered with Waste Management to offer an easy way to recycle banners, signs, envelopes and other print products made with Tyvek® - even products that have been printed or coated! To order a Tyvek recycling kit, see www.wm.com or visit http://www2.dupont.com/Tyvek/en_US/sales_support/recycling.html

Tip:
Brita accepts their own used filters for recycling—contact Brita for more information at www.brita.com
