

Climate Reality Leadership Panel: Where Do We Stand?

Come hear what local Climate Reality Leaders trained by Al Gore have to say about issues of global warming and climate change. Moderator will be John Golden; panelists will include Dr. Julie Snow, Dr. Shawn Davis, Ms. Becky Lubold, Mr. Paul Scanlon, and Ms. Tabitha Giacalone.

Wednesday, April 18th

7:30—8:30 PM

Fowler Building (S.E.A.)

165 Elm Street, Slippery Rock

A black and white photograph of a pair of hands, likely belonging to a child, gently cupping a small, realistic globe of the Earth. The globe shows the continents and oceans in detail. The hands are positioned at the bottom of the frame, with the fingers supporting the globe from underneath. The background is dark and out of focus.
